YOUR CHILD'S PATH TO A BRIGHT FUTURE!

We teach to both the mind and the heart.

For 75 years, SLS has provided exceptional early childhood education, preparing preschoolers for a seamless transition to kindergarten. Our engaging kindergarten readiness program combines pre-academics and hands-on activities to cultivate a love for learning, while our dedicated teachers foster individuality, curiosity, and a growth mindset in each child.

"My children entered kindergarten prepared, confident, and excited to learn - they have thrived ever since. SLS made this happen."
